EUROWORKS-ONAIR

A SERIES OF ONLINE WORKSHOPS ON SEABUCKTHORN

Dear colleagues,

You are kindly invited to participate the series of online Workshops on Seabuckthorn, which are organized by Federal Altai Scientific Center of Agrobiotechnologies, German Seabuckthorn Society and Latvian Seabuckthorn Union. Most urgent and important tasks are planning to be discussed in the frame of these meetings. Worldwide known specialists and experts will provide presentation on different topics and comprehensive discussion is planning. In COVID-19 circumstances we should take all advantages of internet technologies and share online our research results on seabuckthorn.

Totally three Workshops within year 2021 are planning.

Workshop on Seabuckthorn: EuroWorkS-OnAir-1 "Harvesting technologies and processing of Seabuckthorn"

Date: 25.05.2021
Time: 7:00 GMT (Greenwich Mean Time)
Program software: Cisco Webex
Moderators: Andrejs Bruvelis, Thomas Moersel
Number of presentation: 5-6
Estimated duration: 4 hours

Workshop on Seabuckthorn: EuroWorkS-OnAir-2 "Seabuckthorn field technologies, including pests and diseases control"
Date: 24.08.2021
Time: 7:00 GMT (Greenwich Mean Time)
Program software: Cisco Webex
Moderators: Axel Waehling, Thomas Moersel
Number of presentation: 5-6
Estimated duration: 4 hours

Workshop on Seabuckthorn: EuroWorkS-OnAir-3 "Breeding of Seabuckthorn for specific climate conditions"
Date: 23.11.2021
Time: 7:00 GMT (Greenwich Mean Time)
Program software: Cisco Webex
Moderators: Yury Zubarev, Thomas Moersel
Number of presentation: 5-6
Estimated duration: 4 hours

Deadline for registration submission: 14 days prior the Workshop
The official language of the Workshop: English

EuroWorkS-OnAir

A SERIES OF ONLINE WORKSHOPS ON SEABUCKTHORN

Registration Procedure

1. For registration on Workshop please fill the following information and send it to meeting@euroworks.online

Title of Workshop…

Name…

Institution, position…

Type of participation (speaker or listener)…

Title of presentation…

E-mail address…

Mobile phone…

2. Ten days prior the each meeting the program of the Workshop will be send to registered participants. Please pay attention that because of time schedule the Organizing Committee will choose 5-6 most relevant and comprehensive papers for oral presentation. Organizing Committee has a right to request the abstracts of presentation for final evaluation. The duration of each presentation is limited by 25 minutes as well as discussion is limited by 20 minutes.

3. Corresponding invitation link (Webex software) from Thomas Moersel as moderator will be send to each participant 48 hours before the meeting.

4. For Webex software testing Thomas Moersel will arrange 1-2 technical hours before the Workshop (for persons who are not so good in video conferencing software… exact time will be indicated in the program).

Video record of the Workshops will be available in cloud storage within one year for free.

Looking to meet you online!!!

Sincerely,

Organizing Committee: Thomas Moersel, Yury Zubarev, Andrejs Bruvelis, Axel Waehling
