NEW SERIES OF ONLINE WORKSHOPS ON SEABUCKTHORN

Dear colleagues,

We are really exciting to inform you that this year the series of online Workshops on Seabuckthorn, organized by Federal Altai Scientific Center of Agrobiotechnologies, German Seabuckthorn Society and Latvian Seabuckthorn Union will be continued. You are kindly invited to participate this great event and discuss the most urgent tasks in the field of seabuckthorn. As usual worldwide known specialists and experts will provide comprehensive presentations on different topics related to seabuckthorn. Feel free to attend meeting both as presenter and listener. Your ideas directed to improvement of the event as well as thought on new topics of our meetings are highly appreciated.

At the moment three Workshops within the year 2022 are planning.

Workshop on Seabuckthorn: EuroWorks-OnAir-22a “Health benefits of seabuckthorn: use as food and medicine. Technologies of SBT processing: new trends and novel products”

Date: 24.05.2022

Time: 7:00 GMT (Greenwich Mean Time)

Program software: Cisco Webex

Moderators: Axel Waehling, Thomas Moersel
